BEGINNING PRINCIPALS ACADEMY (2ND – 4TH YEAR) 2018-2019

PROGRAM OVERVIEW
The purpose of the Beginning Principals Academy is to support new principals to build their capacity to enhance student learning and create success for their schools and for themselves.

The Beginning Principals Academy will help participants identify their areas of focus, establish priorities, and develop their plans in alignment with Georgia’s Systems of Continuous Improvement including Teacher and Leader Effectiveness and the Georgia Standards for Excellence.

Through a research-based curriculum, participants will experience multiple approaches to solving leadership challenges, supporting teaching and learning in the classroom, and leading and managing their schools more effectively.

**We offer two cohorts: 1st Year Principals and 2nd-4th Year Principals** The 2nd– 4th Year Principal Program extends the learning from Year 1 and personalizes the experience based on the identified needs of the cohort.

PARTICIPANT OUTCOMES
Objectives for the Academy include:

- Create a school culture that fosters student and teacher learning
- Understand and monitor curriculum alignment and development
- Build a team-based, results-oriented organizational structure
- Apply research and best practices in developing school improvement efforts focused on increasing student and teacher learning
- Analyze school equity practices
- Lead and manage needed and effective change
- Develop a culture of collaborative working relationships with faculty, parents, students, and community stakeholders
- Support and develop teachers through effective supervision and evaluation
- Manage the operations of the school effectively and efficiently in order to create a positive learning environment
- Understand and manage conflict
- Understand the importance of and how to develop effective communication strategies with all constituents
- Study other issues and topics of importance and/or urgent need

FEE
$1,500 per participant (Partners)
